

Reg. Customer I.D No: CUS132791

Date: 16/11/2022

Dear Philip Sutton,

**Environmental Permitting (England and Wales) Regulations 2010  
Confirmation of Registration**

**Exemption Ref:** NRW-WME080733

**Location of the Operation:** Econpro, Hangar 13, Deeside Industrial Estate, Drome Road, Deeside, UK, CH5 2LR

Following receipt of your submission, we can confirm that we have now registered the operation(s) listed on the attached schedule, as exempt under the above Regulations, at the site shown.

If any of these exempt operations were previously authorised by a permit which you now consider to be redundant, please contact our Customer Care Centre on 0300 065 3000 so that we can explain what will happen to your permit.

The exemption(s) will remain valid at this site until 25/11/2025.

If your operations change at anytime during the registration period and you wish to add or remove exemptions at your site, please contact our Customer Care Centre on 0300 065 3000.

Although the above operations are now registered they remain so only whilst you operate within the terms and conditions of those exemptions and whilst you do not cause any pollution, harm to human health or detriment to amenity. It is a criminal offence to carry out these types of operation without an exemption or environmental permit. It is your responsibility to ensure that you know what the legislation requires and that you operate within it.

If you have any queries about this matter please contact us by telephone on 0300 065 3000 or email us at [enquiries@naturalresourceswales.gov.uk](mailto:enquiries@naturalresourceswales.gov.uk) quoting your site reference number NRW-WME080733.

Yours sincerely

Helen Florek-Oughton

## Schedule of exempt waste operations

### Relevant objectives

In addition to the terms and conditions of the exemption, exempt activities must be carried out without endangering human health and without using processes or methods which could harm the environment and in particular without: risk to water, air, soil, plants or animals; or causing nuisance through noise or odours; or adversely affecting the countryside or places of special interest.

**Please note: Any non-compliance with the exemption criteria or of the objectives noted above is an offence which renders the exemption invalid (hence the activity is no longer exempt) and may result in enforcement action being taken against you.**

### Details of exempt waste operations
